Carmel, IN—ADESA today announced that Remarketing Services of America, Inc. (RSA) awarded ADESA Birmingham as the company's National Quality Award Premier Partner for 2009. RSA's Vice President of Operations Don Edman recently presented the award to ADESA Birmingham General Manager Billy Noles.

"It's a privilege to accept this award on behalf of ADESA Birmingham and all of its employees," said Noles. "We've enjoyed our relationship with RSA for more than 10 years."

ADESA Birmingham won this award based on criteria evaluated in RSA's yearly auction performance report. This included service, sales effectiveness, operational excellence, sale preparation and marketing efforts. ADESA Birmingham was chosen as the award winner from among 30 other auctions selected.

"ADESA Birmingham has been a partner auction for more than 10 years," said Edman. "The strong sales performance by ADESA Birmingham exceeded all other markets. The team at ADESA Birmingham is extremely dedicated to RSA/Fiserv and all our clients."

RSA is a business unit of Fiserv Lending Solutions which enhances portfolio performance by providing strategic vehicle remarketing, lease maturity management, titles management and customer loyalty programs to major banks, auto manufacturers and other automotive financial institutions.

Tom Pietras, manager of auction sales and performance, automotive solutions, for RSA added, "ADESA Birmingham has been one of our top performers for the past several years—and throughout 2009 they proved to be unsurpassed by the competition.
